SERMON RECAP - SEPT 2026

Sermon 1: When God Doesn't Meet Your Expectations
Main Passage: Matthew 11:1-15
Takeaway: God is faithful, even when His plans don't match our expectations. Don't let what God hasn't done yet make you forget what He's already done. Trust the King, even when the story is still unfolding.
Question: Where have unmet expectations caused you to question God, and what would it look like to trust Him even when the outcome isn't what you imagined?

Sermon 2: The Danger of Seeing God Move and Staying the Same
Main Passage: Matthew 11:20-24
Takeaway: The greatest danger is seeing God move and staying the same. Familiarity isn't surrender, and true repentance means turning from what's holding you back and returning to the Father who welcomes you with grace.
Question: Where have you become so comfortable or familiar with the things of God that you've stopped allowing Him to change your life?

Sermon 3: Why You're So Tired
Main Passage: Matthew 11:25-30
Takeaway: God didn't design us to simply be around people, He designed us to belong. Real unity requires us to move beyond convenience, make room for others, and pursue Jesus together.
Question: Where have comfort or convenience kept you from the kind of community and connection God designed you to experience?

Sermon 4: How to Train for a Life That Looks Like Jesus
Main Passage: 1 Corinthians 9:24-27
Takeaway: The goal isn't just to run the race, but to become more like Jesus. Trying wants change, but training builds toward it. Choose calling over comfort and consistency over intensity as you grow in Christ.
Question: What area of your life needs to move from simply wanting to change to intentionally training to become more like Jesus?
